

MI Library is NOW

Now a workspace, now a tech hub, now a health information center - now better than ever. Libraries have all-new **Chromebooks**, **Surface Pros**, **online program kits**, **outdoor program kits**, **eBooks**, and **audio books** to help improve your job and wellbeing.

You can develop new skills, take a job interview, learn more about health and wellness, and more – all from your local library.

Ask your librarian what's new today.
